HOSTED BY THE
TUCKER CENTER

The Women Coaches Symposium is made possible by support from many community partners.

2025: It's a Movement, Not a Moment

Celebrating the 10th anniversary of the **Women Coaches Symposium**, a dynamic event dedicated to building community, supporting women, and driving grassroots change. As women's sports reach unprecedented levels of viewership, popularity, and investment, we honor the changemakers who laid the foundation for this transformative moment. Together, we'll celebrate those who are shaping the movement for gender equity in sports, women leaders in sport, and coaches who make a difference. **#SHECANCOACH**

Philanthropic Partner: The Sports Bra Project

Our Philanthropic Partner for 2025 is The Sports Bra Project. For some girls and women, lack of access to a sports bra, due to logistical, cultural or financial factors, can be a barrier to sport participation. Scan the QR code to participate in our virtual drive.
